

L.N. 354 of 2012

**ENGINEERING PROFESSION ACT
(CAP. 321)**

Practice of Engineering (Definition) Regulations, 2012

IN exercise of the powers conferred by article 21 of the Engineering Profession Act, the Minister for Resources and Rural Affairs, after consulting the Engineering Profession Board, has made the following regulations:-

Citation. **1.** The title of these regulations is the Practice of Engineering (Definition) Regulations, 2012.

Interpretation. **2.** In these regulations, unless the context otherwise requires -

Cap. 321. "the Act" means the Engineering Profession Act;

"the Board" means the Engineering Profession Board;

"engineer" has the same meaning as is given to it in article 2 of the Act;

"warrant holder" has the same meaning as is given to it in article 2 of the Act.

Practice of engineering. **3.** The practice of engineering consists in the activities of design, specification, development, installation, commissioning, operation, maintenance and decommissioning of any mechanical, electrical, chemical process, information and related systems, and such activities shall be carried out by or under the authorisation and guidance of an engineer who is a warrant holder or a partnership of engineers, competent in the field as recognised by the Board.
