Citation

1. These regulations may be cited as the Bachelor of Science (Honours) - B.Sc. (Hons) - Degree Course (Amendment) Regulations, 2003 and shall be read and construed as one with the Bachelor of Science (Honours) - B.Sc. 3. For paragraph (18) of regulation 6 of the principal regulations there shall be substituted the following:

“(18) For the purposes of the non-elective written component of the Final Examination, a student who fails in study-units that contribute between them not more than two credits in each of the two principal subjects taken in the fourth year may be re-examined in September. If after the re-sits the student still fails to satisfy the examiners in more than any two credits, he shall fail the Final Examination and shall not qualify for the Honours degree. In this case, the student shall be awarded a Bachelor of Science Pass Degree - B.Sc. - unless he still has the option to repeat a year and chooses to do so.”
