

L.N. 204 of 2007**PRODUCT SAFETY ACT
(CAP. 427)****Low Voltage Electrical Equipment (Amendment) Regulations,
2007**

IN exercise of the powers conferred by articles 38 to 40 of the Product Safety Act, the Minister for Competitiveness and Communications, on the advice of the Malta Standards Authority, has made the following regulations:-

1. (1) The title of these regulations is the Low Voltage Electrical Equipment (Amendment) Regulations, 2007 and they shall be read and construed as one with the Low Voltage Electrical Equipment Regulations, 2002, hereinafter referred to as “the principal regulations”. Citation, commencement and scope.
L.N. 367 of 2002.

(2) These regulations shall apply from the 16th January 2007.

2. For footnote 2 of sub-regulation 2.2.5 of the principal regulations there shall be substituted the following:

“² Falling within the scope of the Electrical Accessories Regulations, 2004.”.

3. For sub-regulation 3.1.1 of the principal regulations there shall be substituted the following:

“3.1.1 “the Directive” means Directive 2006/95/EC of the European Parliament and of the Council of 12 December 2006 on the harmonisation of the laws of Member States relating to electrical equipment designed for use within certain voltage limits. 3.1.1.1 References made to Directive 73/23/EEC shall be construed as being made to the Directive and should be read in accordance with the correlation table in Annex VI of the Directive.”.

4. For sub-regulation 3.1.7 of the principal regulations there shall be substituted the following:

“CE marking” means marking as set out in Annex III of the Directive, which is set out in Schedule III of these regulations.”.

5. For sub-paragraph 1(b) of Schedule I of the principal regulations there shall be substituted the following:

“(b) The brand name or the trade mark should be clearly printed on the electrical equipment or, where that is not possible, on the packaging.”.
