Applicability

2. These bye-laws shall be applicable for courses commencing in February 2010 or later.

Areas of Specialization

3. The Course shall be offered in areas of specialization in Radiography as announced by the Board at the time of the call for applications.

Requirements for Admission

4. (1) The Course shall be open to applicants in possession of a Bachelor degree in Radiography (Diagnostic and/or Therapeutic) obtained with at least Third Class Honours or better.

(2) In exceptional cases the Admissions Board, on the recommendation of the Board, may admit into the Course applicants not in possession of a Bachelor degree, provided that it is satisfied that such applicants are in possession of other academic or professional qualifications and experience that together are deemed to be comparable to the level of a first degree.

(3) The Board shall recommend to Senate the number of applicants that may be allowed to register for the Course, depending on the availability of resources. The Board shall announce the areas of specialization and the number of available places at the time of the call for applications.

(4) When the number of places is so limited and the number of eligible applicants exceeds the number of places available, applicants shall be selected through an interview by a board composed of at least three members appointed for the purpose. The board shall select applicants using the following criteria, the weighting of which shall be published at the time of the call for applications:

(a) degree type and class;
(b) experience in the area of the proposed study; and
(c) performance during an interview.

Course Duration

5. The Course shall extend over three semesters of full-time studies or the equivalent in part-time studies.

Programme of Study

6. The programme of study shall comprise study-units to which a total of 90 credits are assigned, of which 60 credits are assigned to taught study-units and 30 credits are assigned to a dissertation study-unit.

7. Students who obtain the 30 credits assigned to the taught study-units covered during the first semester with an average mark of at least 50% and do not proceed with the Course, or having proceeded do not successfully complete the Course, shall be eligible for the award of the Postgraduate Certificate.

8. Students who obtain the 60 credits assigned to the taught study-units with an average mark of at least 50% and do not proceed with the Course, or having proceeded do not successfully complete the dissertation, shall be eligible for the award of the Postgraduate Diploma.

9. The programme of study shall be published after approval by Senate, normally not less than eight months prior to the commencement of the Course.

Assessment and Progress

10. (1) The assessment of each taught study-unit shall be completed by the end of the semester in which the teaching of the study-unit is held.

(2) Students who in any academic year fail in the assessment of not more than 20 credits for taught study-units, if following the full-time Course, or not more than 10 credits if following the part-time Course, shall be given the opportunity to re-sit the failed assessments during the September supplementary examination session, provided that students who fail in a study-unit involving a clinical placement that requires assessment over a period of time shall not have the right to a supplementary assessment and shall be required to withdraw from the Course.

(3) Students who fail in more than the number of study-units permitted under paragraph (2) of this bye-law or students who after re-assessment fail to obtain credit for any study-unit, shall be required to withdraw from the Course.

(4) Students shall be allowed to proceed to the dissertation study-unit subject to obtaining the 60 credits assigned to the taught study-units with a minimum average mark of 65%.

Dissertation

11. (1) Students shall be required to submit an individual dissertation of approximately 25,000 words in accordance with the guidelines issued by the Board.

(2) Work on the dissertation shall be undertaken during the third semester of the Course. Each student shall be assigned a supervisor who shall provide guidance and advice on a regular basis during the period of study.

(3) A provisional title of the dissertation and a detailed research proposal shall be submitted to the Board for approval by the beginning of the second semester.

12. (1) Students shall be required to have regular contact with their supervisor.

(2) Supervisors shall submit to the Board progress reports for each student under their supervision at the end of each semester of studies, whether the student is following the Course on a full-time or a part-time basis. Such reports may include recommendations to either (a) extend the period of study in order to enable the student to complete the dissertation; or (b) terminate studies prematurely if the supervisor deems this to be proper in the circumstances, provided that:

(i) the extension of the study period referred to in (a) shall be in accordance with the provisions of Principal Regulations; and

(ii) the Board may not terminate studies prematurely according to (b) until it has first given the student a chance to be heard.

Classification of the Awards

13. The Final Weighted Average Mark for the purpose of the classification of the Postgraduate Diploma and of the Degree shall be based on the results obtained in all the components of the programme of study, all credits being weighted equally.

Special Provisions for Part-Time Courses

14. The provisions of the foregoing bye-laws shall apply *mutatis mutandis* to courses followed on a part-time basis, and subject to such changes as may reasonably be deemed by the Board as necessary due to the part-time nature of the Course.
