MALTA RESOURCES AUTHORITY ACT (CAP. 423)

Liquefied Petroleum Gas Market (Amendment) Regulations, 2012

IN exercise of the powers conferred by article 28(1) of the Malta Resources Authority Act, the Minister for Resources and Rural Affairs, after consultation with the Malta Resources Authority, has made the following regulations:-

Citation.

1. The title of these regulations is the Liquefied Petroleum Gas Market (Amendment) Regulations, 2012, and these regulations shall be read and construed as one with the Liquefied Petroleum Gas Market Regulations, hereinafter referred to as "the principal regulations".

S.L. 423.31

Amends regulation 2 of the principal regulations.

2. Regulation 2 of the principal regulations shall be amended as follows:

(a) for the definition "competent person" there shall be substituted the following:

" "competent person" means a person who is approved by the Authority and who:

(a) practices the profession of an engineer under the Engineering Profession Act; and

Cap. 321.

(b) who is suitably trained, has sufficient knowledge, experience and capability as approved by the Authority to:

(i) carry out assessment inspections of authorised facilities;

(ii) supervise material alterations to authorised facilities;

(iii) certify in writing that authorised facilities are being maintained and operated as prescribed in any authorisation conditions and, or guidelines and, or Codes of Practice duly approved by the Authority;

(iv) certify in writing the design, construction, testing and commissioning of equipment and, or sites intended to be designated by the Authority as authorised facilities;

(v) carry out other work of a technical nature that is complimentary or ancillary to the above;"; and

(b) for the definition "material alteration" there shall be substituted the following:

" "material alteration" means any alteration which, within the limits of the applicability of the authorisation, may in the opinion of the Authority reasonably affect the operation of an authorised facility and includes the addition, change, removal, repair, replacement or cessation of use of any equipment, whether electrical or mechanical;".
