Regulations amending Regulations for the Degree of Bachelor of Science — B.Sc. (Legal Notice 155 of 1990)

Amendment No. 1

The Regulations for the Degree of Bachelor of Science — B.Sc., published in Legal Notice 155 of 1990 (hereinafter referred to as "the principal regulations") are amended as follows:

Immediately following regulation 5.1 of the principal regulations the following words are added:

"Special Regulations applicable only to the B.Sc. part-time evening course starting in March, 1987."

E1. **General**

E1.1 Insofar as they are not modified by these Special Regulations the above Regulations for the Degree of Bachelor of Science — B.Sc. shall also apply to the part-time evening course starting in March, 1987.

E2. **Special Entry Requirements to Course**

E2.1 A candidate may apply for admission to the evening course of Bachelor of Science if he is in possession of two passes at Advanced Level, or equivalent, in appropriate subjects.

E2.2 A candidate may be exempted from any of the requirements indicated in regulation E2.1 if he is 23 years of age or over and can prove through an interview that he has sufficient experience and background to follow the course.

E3. Course of Studies

E3.1 The modules will be incorporated in a curriculum plan extending over a period of nine semesters divided into three semesters for Part I and six semesters for Part II.

E3.2 Semesters normally extend from 1st September to 31st January and from 1st February to 30th June.

E4. Course Assessment

E4.1 A candidate who fails to obtain one or more credits assessed wholly or partly by test/examination held within any semester may be allowed at the discretion of the Faculty Board to obtain the outstanding credits as determined by the Board.

E4.2 A candidate will qualify for the award of the B.Sc. Degree if he has successfully completed both Part I and Part II of the course within a maximum period of six academic years from the initial registration.
