

L.N. 110 of 1992

**PREVENTION OF DISEASE ORDINANCE
(CAP. 36)**

Bee Keeping Regulations, 1992

IN exercise of the powers conferred by section 87 of the Prevention of Disease Ordinance, the Minister for Food, Agriculture and Fisheries, on the advice of the Council of Health, has made the following regulations:—

- | | |
|------------------------------------|---|
| Citation. | 1. These regulations may be cited as the Bee Keeping Regulations, 1992. |
| Interpretation. | 2. In these regulations, unless the context otherwise requires —

<div style="padding-left: 20px;">“Director” means the Director of Agriculture and Fisheries and includes any officer of the department duly authorised by the Director to act on his behalf;</div> <div style="padding-left: 20px;">“to keep” means to rear for the production of honey, beeswax, other subsidiary products and the pollination of fruit trees, flowers and vegetables.</div> |
| Registration of bee colonies. | 3. Any person who is the owner or has the control of any number of bee colonies or who knows that a colony is nesting on his property, shall register such number of bee colonies with the Director. |
| Place where bee colonies are kept. | 4. The Director may at any time enter any place where bee colonies are kept or are established, or where he suspects that bee keeping is practised or bee hives exist, for the purpose of inspecting such colonies. |
| Movement of diseased colonies. | 5. Nobody can move diseased colonies from any apiary without a written permit from the Director. |
| Destruction of diseased colonies. | 6. The Director may order the destruction of any bee colony found to be diseased. |
