

L.N. 131 of 1990

**ENGINEERING PROFESSION ACT, 1988
(ACT NO. VII OF 1988)**

**Engineering Profession (Application for the Issue of a Warrant)
Regulations, 1990**

IN exercise of the powers conferred by section 21 of the Engineering Profession Act, 1988, the Minister for Development of Infrastructure, after consulting the Engineering Board, has made the following regulations:—

Citation and commencement.

1. These regulations may be cited as the Engineering Profession (Application for the Issue of a Warrant) Regulations, 1990, and shall come into force on the 1st September, 1990.

Interpretation.

2. In these regulations unless the context otherwise requires —

Act No. VII of 1988.

“Act” means the Engineering Profession Act, 1988;

“Board” means the Engineering Board established by section 6 of the Act;

“Minister” means the Minister responsible for infrastructure;

“warrant” means a warrant to practise the profession of engineer issued by the Minister on the recommendation of the Board in terms of section 3 of the Act; and “warrant holder” shall be construed accordingly.

Prescribed form and fees.

3. (1) The prescribed form for the application in writing from any person for the issue of a warrant shall be in accordance with the form set out in the Schedule to these regulations, and any reference to a prescribed form shall be construed as a reference to the form in the said Schedule.

(2) The prescribed form together with all relative original documents, or copies thereof, as may be required by the Board, shall be submitted to the Secretary thereof by the applicant personally who shall also produce adequate documents of identification and nationality.

(3) A fee of Lm5 shall be paid by a professional engineer to the Board in respect of the issue of an original warrant, and a fee of Lm2 shall be paid in respect of the issue of each copy of the original warrant.

Powers of the Board.

4. (1) The Board may request such information and inspect such projects, schemes and other documents as may reasonably be considered necessary to enable it to carry out its functions.

(2) The Board may set time limits for compliance with any requests it may make in accordance with paragraph (1) of this regulation.

(3) The Board may consider an application on a prescribed form to have been withdrawn if the applicant does not comply with any final time limit which the Board may set for the submission of any information relative to his professional and academic qualifications referred to in paragraph (1) of this regulation.
