L.N. 50 of 1982

FACTORIES ORDINANCE (CAP. 169)

Factories (Hoists and Lifts) (Amendment) Regulations, 1982

IN exercise of the powers conferred by section 3 of the Factories Ordinance, the Minister of Labour and Social Services has made the following regulations:—

Citation and commencement.

1. (1) These regulations may be cited as the Factories (Hoists and Lifts) (Amendment) Regulations, 1982, and shall be read and construed as one with the Factories (Hoists and Lifts) Regulations, 1964, hereinafter referred to as "the principal regulations".

L.N. 47 of 1964

(2) These regulations shall come into force after twenty-one days from the day on which they are laid on the Table of the House of Representatives in accordance with the provisions of subsection (3) of section 3 of the Factories Ordinance, which date shall be notified by the Minister by notice in the Gazette.

Amends regulation 3 of the principal regulations.

2. Regulation 3 of the principal regulations shall be amended as follows:

(a) in the proviso to paragraph (2) thereof —

(i) for the words "Higher Technician Diploma awarded by the Malta College of Arts, Science and Technology" there shall be substituted the words "a degree in Mechanical or Electrical Engineering of the University of Malta"; and

(ii) the words "or superior" shall be deleted; and

(b) for paragraph (3) thereof there shall be substituted the following new paragraphs:

"(3) Every owner or occupier of any premises or open space to which these regulations apply shall cause the lift or hoist therein installed to be examined by a competent person as provided in paragraph (2) of this regulation and shall send to the Director a report of such examination, drawn up by such competent person in the form laid down in the Schedule hereto so as to reach the Director not later than twenty-eight days from the date on which the examination falls due.

(4) Every owner or occupier as aforesaid shall ensure that any repairs, renewals or alterations of parts of the hoists and lifts as are declared by the competent person to be required for the safe use of the hoist or lift, shall be effected without delay and not later than the time notified in writing to such owner or occupier by the Director.".
