

L.N. 61 of 1981

WIRELESS TELEGRAPHY ORDINANCE (CAP. 78)

Wireless Telegraphy (Broadcast Licence Charges) (Amendment) Regulations, 1981

IN exercise of the powers conferred by section 5 of the Wireless Telegraphy Ordinance, the Prime Minister has made the following regulations:—

1. These regulations may be cited as the Wireless Telegraphy (Broadcast Licence Charges) (Amendment) Regulations, 1981, and shall be read and construed as one with the Wireless Telegraphy (Broadcast Licence Charges) Regulations, 1962, hereinafter referred to as “the principal regulations”.

Citation.

2. For item 2 in the First Schedule to the principal regulations there shall be substituted the following:

Amends First Schedule to the principal regulations.

Type of Licence	Description of Licence	Issue Fee	Renewal Fee
“2. Broadcast Receiving Licence (including Television) — General Form	(a) A licence to have in one’s possession or under one’s control apparatus for wireless telegraphy at the premises specified in the licence in so far as those premises are in the occupation of the licensee or (as the case may be) in the vehicle or vessel specified in the licence, and to use the apparatus for purposes which include the reception of visual images in black and white only sent by television, (not being a licence authorising the use of apparatus for wireless telegraphy for the purpose of the exhibition of visual images received by television to persons who are charged for viewing such exhibition)	£6	£6

Provided that in the case of the registration of an additional black and white television receiver by a licensee, there shall be paid once only a registration fee of £5 in respect of each additional portable television and £10 in respect of any other additional television receiver, not being a portable television.

For the purposes of this Schedule “portable television” means a tele-
