“(3) The Certificate shall show a grade A, B, C, or D (grade A being the highest and D the lowest) indicating the standard attained by students. In calculating the average mark for the Course, each individual mark obtained for each study-unit registered for during the year shall be weighted by the credit value of the corresponding unit. The resultant marks are added and divided by the total number of credits to give the average mark for the year. This mark is then translated into a grade.”
