L.N. 147 of 2019

EDUCATION ACT
(CAP. 327)

Bye-Laws of 2019 in terms of the General Regulations for University Undergraduate Awards, 2004 for the Certificate in Engineering Sciences under the auspices of the Faculty of Engineering

IN EXERCISE of the powers conferred upon him by articles 74 (5) and 75 (6) of the Education Act (Cap. 327), the Chancellor of the University of Malta has promulgated the following bye-laws made by the Board of the Faculty of Engineering in virtue of the powers conferred upon it by article 81 (1) (c) of the said Act and which have been approved by the Senate of the University of Malta as required by article 81 (2) of the said Act:

Citation and Interpretation

1. (1) These bye-laws may be cited as the Bye-Laws of 2019 in terms of the General Regulations for University Undergraduate Awards, 2004 for the Certificate in Engineering Sciences under the auspices of the Faculty of Engineering.

(2) In these bye-laws, unless the context otherwise requires -

"the Board" means the Board of the Faculty of Engineering;

"the Board of Studies" means the Board of Studies appointed by Senate for the Course, on the recommendation of the Board;

"the Certificate" means the Certificate in Engineering Sciences; and

"the Course" means the programme of study leading to the Certificate in Engineering Sciences;

"the Principal Regulations" means the General Regulations for University Undergraduate Awards, 2004.

Applicability

2. These bye-laws shall be applicable for courses commencing in October 2019 or later.

Requirements for Admission

3. (1) To be registered as regular students in the Course, applicants shall:

either (a) satisfy the general requirements for admission as specified in the Admissions Regulations and be in possession also of a pass at Advanced Matriculation Level in one of the following subjects: Pure Mathematics, Applied Mathematics, Physics, Chemistry, Computing, Information Technology, Engineering Drawing, Graphical Communication or other science/numeric subjects as approved by the Board;

or (b) be in possession of a qualification at MQF Level 4 in an engineering domain obtained with at least Pass with Merit, and of passes in the Secondary Education Certificate Examination at Grade 5 or better in English Language, Maltese and Mathematics .

(2) Applicants may be required to attend for an interview to assess whether they have the necessary aptitude to follow the Course with profit.

(3) The interviewing board, which shall be appointed for the purpose by the Board, shall be composed of at least three members.

Course Duration

4. The Course shall extend over a period of two semesters of full-time study.

Programme of Study

5. (1) The Course shall consist of a number of taught study-units to which a total of 60 ECTS credits are assigned.

(2) The programme of study shall be drawn up by the Board of Studies and published by the Board, after approval by Senate, normally not less than eight months prior to the commencement of the Course.

Assessment and Progress

6. (1) The assessment of each taught study-unit shall be completed by the end of the semester in which the teaching of the study-unit is held.

(2) Students must attend at least 80% of the lecture programme prescribed for all study-units before they can be allowed to present themselves for any formal assessment of study-units.

Result of the Award

7. (1) The Certificate shall be awarded to students who obtain all the credits indicated in bye-law 5.

(2) The names of students who qualify for the award of the Certificate shall be published in a list in alphabetical order.
